## Festivals that build participation

### Our Mission

- Increase youth participation in civic and political life
- Strengthen youth organisations across Europe
- Promote inclusion, diversity and democratic values
- Equip young people with soft, digital and organisational skills

### What We Do

- International training for youth workers
- Local training programmes for young people
- Creation of a European digital youth community
- 8 youth-led local festivals across Europe
- 8 international youth exchanges
- 1 European digital youth festival
